OTHER CATALOGS

- **Administrator:** This catalog has the courses relevant to the online training administrators.
- **College Credit:** This catalog has the learning plans approved for college credit validation.
- **Practice Test:** The retrieval courses are identified by the prefix: Practice Test. These courses have only the tests, no content. They are used to improve retention by triggering the user's memory retrieval of the course content to answer the test.
- **RLI Learning Paths:** These are recommended learning paths for on-boarding, management and supporting roles within grocery retail.

2021: UPGRADE YOUR TOOLKIT!

Make Your Program More Robust, Consistent and Easy to Manage

- **Learning Plans** - create custom curriculums for your teams
- **Course Imports** - courses with your own training materials (videos, ppt, etc.)
- **Course Customizations** - change our courses to meet your needs
- **Custom Catalog** - reorganize and tailor the course's catalogs to make your own.
- **Custom Homepage** - redefine the navigation, set priorities.
- **Corporate University** - brand the system with your logo and URL
- **Classroom Management** - manage your classroom training from the LMS
- **Automated Enrollments** - have the system automatically enroll users in courses based on their job position.
- **HRIS Integrations** - import new users, update current users, deactivate them, all with an automated daily import from your HRIS.
- **Single Sign-On** - give users direct access to the training from your intranet, without having to login.
- **Coach & Share** - use channels to create conversational forums for user's groups, share information, materials, ask expert advice and crowd-source.
