# Add-On Features (\$)

## LEARNING PLANS

Standardize your program's learning curriculums. Create custom plans for departments, positions, annual compliance initiatives, etc. Students benefit from having a clear learning path, and administrators simplify their tracking by managing Learning Plans instead of individual course enrollments.

**Cost:** \$400 annual fee.

## CORPORATE UNIVERSITY

Have your own unique program. Tailor it to your needs, from branding to interface. Add your own logos, content, catalogs, courses, videos, messages.

**Cost:** \$2000 1st year, \$1000 annual fee starting the 2nd year.

## CUSTOM ONLINE COURSES

We can **upload your own courses** (videos, manuals, presentations, and other files types). Your courses are available only to your team, and your administrators. We can **modify our courses** to meet your needs, by adding your content or editing our content.

**Cost:** start at \$400 per course, cost may increase based on the complexity of the tailoring.

## CUSTOM LEARNING PLAN CERTIFICATE

Formalize your learning plans certification by issuing certificates with your company logo, colors, branding and executives signatures.

**Cost:** \$400 one-time fee.

## AUTOMATION - USERS

Automated daily imports of your user data, create new accounts and updates existing ones using a data export from your HRIS or Payroll system.

**Cost:** start at \$500, cost may increase based on the complexity of the client's systems.

## AUTOMATION - ENROLLMENTS

Automate the course enrollment ensuring that your users are assigned courses and learning plans according to their department, position, or other criteria you determine.

**Cost:** start at \$200, cost increases based on the number of enrollment rules.

## COACH & SHARE

Allow the informal knowledge sharing to thrive. Create channels where users can share ideas, ask questions, seek advice, explore innovation, or simply connecting. Channels can be open, postings moderated, or require approval. Instructors and moderators can direct the conversation and push content to the group.

**Cost:** start at \$500, cost may increase based on the complexity of the client's communication rules and number of channels.

## SINGLE SIGN ON

Simplify the login to the online training by having your users enter the program directly from your intranet. No navigating to our site, nor login necessary.

**Cost:** start at \$500, cost may increase based on the complexity of the client's systems.

## CLASSROOM TRAINING

Combine the management of your in-person and virtual learning events with your online training program. Setup locations, classrooms, instructors, sessions, assignments, etc. Instructors track their class, students can self-enroll, submit assignments, and interact with their instructors.

**Cost:** \$1000 annual fee.

## ALL INCLUSIVE

Enjoy all the features the program has to offer including allowances for growth, course uploads, customizations all for an annual flat fee. (request a quote)
